## **Rice named new executive chef at Krystal Q**

Chris Rice of Centreville has recently joined Krystal Q in Easton as the catering and event venue's new executive chef. As Krystal Q's executive chef, Rice is responsible for fusing his culinary talents with the freshest ingredients in preparing menus for on and off-site dinner receptions, cocktail parties, luncheons, meetings and other special events. He will also be responsible for managing catering staff with a commitment to exceeding client expectations.

Rice previously served as executive chef for The River Plantation's Hunters Oak in Queenstown and brings more than 15 years of chef experience to Krystal Q. His specialties include creating wine pairings for reception dinners and other events.

"We're so pleased to have Chris on board," said Mollie Faulkner, owner of Krystal Q. "He brings the culinary skills and talent needed to ensure our clients' experiences are both exceptional and memorable."

As a standalone banquet and catering facility on Technology Drive near the Easton Airport, Krystal Q's ballroom accommodates up to 350 guests with fully dedicated banquet services and professional staff. Krystal Q offers on and off-site full-service catering for weddings, corporate meetings, social events and other special occasions. For more information, visit [www.krystalq.com](http://www.krystalq.com) or call 410-822-0100.
